

ZOOMERANG!

VBS 2022

JULY 18th TO JULY 22nd

1:00 to 4 pm Ages 4 to 10

We are excited about the journey we will be taking for VBS 2022, Zoomerang! Returning to the value of life!

Zoomerang! – Like a boomerang, we are returning kids to what the Bible says about the value of life. We will discover how precious each and every one of us is to God. From the tiniest to the oldest, each person is made in the image of God, wonderfully designed to know him and live for him. Out of his great love, God offers us salvation through His Son, Jesus. Kids will learn that life is valuable!

It is as Psalm 139:14 says, “I praise you, for I am fearfully and wonderfully made. Wonderful are your works, my soul knows it very well.”

Our kids will see that life is valuable and we will look at the variety of life that God has created, including all of us!

We will be looking at:

Day 1 – The Beginning of Life! As we explore the Genesis account that describes the creation of man and woman, we will find that people didn’t evolve from ape-men. Instead we discover that Jesus is the author of life.

Day 2 – The Wonder of Life! We’ll check out the words of King David, who expressed the wonder of being formed by God before he was born. As we look at the special design features of our bodies, we’ll learn that we’re fearfully and wonderfully made in God’s image.

Day 3 – The Value of Life! The book of Matthew tells the account of Jesus’ birth and the subsequent killing of Bethlehem’s baby boys. As we look at this passage, we’ll discover that God wants us to protect and respect all people – no matter how old, young, smart, or physically fit someone is. Every human life is precious to God.

Day 4 – Eternal Life! As we explore the life, death, and resurrection of Jesus, we will see there is only one way to have eternal life with God – through repenting of sin and believing in his Son.

Day 5 – Using Your Life! When Jesus ascended into heaven, he left his followers with an important mission. We will take a closer look at the truth that we were created for a reason – to glorify God through the good works he has prepared for us to do. Our main mission is to tell others about our Creator and Savior, Jesus Christ!

Graduation Day – July 23th starting at 12 noon: We will be looking at what the children learned this week and sing some songs. The children will also receive their graduation certificates. Following this presentation we will have a barbecue for all. Bring family and friends to enjoy this time and see all that the children have learned, and don’t forget your cameras!

Get ready for some fun in the sun as we learn about how we are fearfully and wonderfully made at VBS 2022 - Zoomerang! (And it is all free!)
